

TRAINING AND PLACEMENT CELL

The Training and Placement Office, is a meeting place for the students of PRES's College Of Pharmacy, Chincholi, and all pharmaceutical companies corporate executives. COPC is proud of its students who have been serving the nation in various capacities ranging from Managers to Pharmaceutical executives and corporate officers. Its our pride to introduce you the training and Placement cell , which has been formed in the wake of a wave of innovation and interaction with various industries and to provide technical advancements to the students.

All the students of COPC undergo a compulsory one month In- plant industrial training during 6th semester in various pharmaceutical companies and research institutes. An enabling environment is made for these students, giving them a choice of more than 30 pharmaceutical companies in order to develop them as Quality assurance /Quality control executives, production executives, formulation scientist, Research Scientist, Hospital Pharmacist and data analyst. We are confident that these students will make a mark wherever they go and make their alma mater proud. The most frequently cited accolades regarding our students from the organizations which are regular recruiters from COPC include their ability to learn quickly, versatility, their performance as team, excellent analytical skills, and most importantly the positive attitude that they bring to their jobs. To coordinate the activities of placement, a committee of teachers has been constituted.

SUCCESS STORIES

Being a student of College of Pharmacy Chincholi, it definitely taught me almost everything I should know about Pharmacy. COPC makes intellectual, physical, and emotional development of students. Today I am a successful Pharmacy professional in a reputed multinational company just because of consistent motivation of college and professors that driven me towards inculcating professionalism. PRES's College Of Chincholi serves as a hub for a variety of programs, services, facilities, and operations that are all designed to enrich the student experience.

Ms.Kirti Kurhade

QC Manager,ScitechSpecialityProducts,Sinner,Nashik.

PRES's College of Pharmacy, Chincholi is more than an intellectual destination it's a destination to be in and behold. When I was in a phase of taking admission for Pharmacy COPC was one of the few pharmacy college which was especially for women. This unique foundational academic background immediately allowed me to differentiate myself from my peers as I explored opportunities in the pharmaceutical industry. Today I am at a managerial position in reputed pharmaceutical industry .Coupled with the willingness of faculty and staff at COPC constantly challenged and stretched me as a student has led me to seek similar opportunities in the real world.”

Ms.Sonali Sable

Executive QA,MegafinePvt.Ltd.Nashik.

As the first student to complete B.Pharmacy I have gained amazing experience with some of the most prestigious moments which were open to me because of the education and training given to us .Before completing B.Pharmacy in my fourth year, I received multiple job opportunities without heavy pursuit. Thanks to the College Of Pharmacy Chincholi. I got a opportunity to work with Tata Consultancy services as medical data analyst through Placement cell of COPC. Before graduation ,I were able to begin my career in the world of Pharmacy. I can't thank COPC enough for the opportunities that they provided and the doors that were opened for me.

Chanchal Patil.

Data Analyst, TCS Mumbai

PRES's College of Pharmacy, Chincholi has helped me to not only get a job but get geared up an entire lifetime. Systematic teaching, Courses, laboratories, career counseling and focus on personality development has helped me to shape myself up for the real world. "I am glad that I got graduated from COPC which has given me opportunity to develop myself in a very free environment. Today I am working with reputed multinational Pharmaceutical company in marketing department. Faculty, infrastructure and high quality education has helped me in achieving my aim. "

Ms. Ayushi Shah

Marketing executive, Cadila Research Laboratories, Mumbai.

PRES's College Of Pharmacy, Chincholi, offers education above and beyond the B.Pharm program. COPC has allowed me to expand my role as a future pharmacist by giving me proper path to get higher education .After scoring GPAT, now I am doing M.Tech in NIPER, Hyderabad. This support and teaching from institute are advanced my career and education in ways I never thought possible. With the help and support COPC, this is what I hope to accomplish. Faculty, infrastructure and high quality education has helped me in achieving my aim. "

Ms.Nilofer Sayyed.

Studying in NIPER, Hyderabad.
