TIMELESS MEMORIES

Hi, my name is Ms. Patil Darshana Asaram. I'm alumni of PRES's College of pharmacy (for women), Chincholi (COPC) from batch 2015-16. Currently I'm working as associate researcher at Rubicon Research PVT LTD., Ambarnath, Mumbai. It gives me immense pleasure to talk about COPC. It has enriched me with vast skills and knowledge. Along with this I participated in various cultural, extracurricular and social activities like Swachh Bharat Abhiyan, Tree plantation and Orphanage visit etc. COPC transformed us into skilled professionals as well as socially responsible citizen.

Ms. Darshana Patil,
Associate researcher,
Rubicon Research PVT LTD., Mumbai.

TURNING POINT

Hello, it makes me proud to be known as alumni of COPC of 2013-14 batch. COPC is concerned with overall development and progress of all the students. COPC reinforced my convictions and eliminates gaps in understanding. Our teachers guided us for the preparation of competitive exams and interviews which helped us to shape our career and achieve our goals. I am indeed delighted being a alumni.

Ms. Hemali Parmar,
Regulatory affairs executive and Management Representative,
Veol medical technologies, Mumbai.

ASPIRATION

Hello, I would take this opportunity to thank Pravara Rural Education Society and COPC who delivered us not only knowledge but also gave us professional advice, suggestions and orientation. I'm from rural background and belong to farmer family. I joined this college without any vision and aim. I'm very glad to say that COPC gave me very detailed knowledge of theory as well as technical field. The healthy environment, friendly staff and caring people lead to build up my confidence. COPC guided us with proper direction and imbibed vision into us.

Ms. Sunita Nawale, (Batch 2014-15)
M Pharm Scholar (Natural products),
NIPER, Mohali.
